

# *Return to In-Person Worship*

## **In-person Worship - Starting April 18<sup>th</sup>**

### ***RESERVATIONS ARE REQUIRED***

We are pleased to announce the return of in-person worship opportunities. We ask for your continued patience as we adjust to a modified version of our worship services, continue to refine our practices, and respond to changing pandemic factors.

### **Worship Dates and Times**

Thanks to a team of volunteers, we have developed a process for simultaneous in-person and online worship. This one service will be offered ***Sunday mornings at 9:30 a.m.*** Note that this service will be recorded and is available online (YouTube and Facebook) for two weeks after the service. Worshipers may be seen on camera, depending on where you sit in the sanctuary.

Online worship will continue to be offered via Zoom. Pastor Brian sends out the link and bulletin each week. If you are not receiving the worship emails or need assistance setting up your electronic device to access the services, please let Pastor Brian know and he will connect you with someone to assist you.

### **Guidelines for Attending In-person Worship**

All in-person worshipers are expected to follow these guidelines:

- You must register to attend so that we can maintain small numbers. We ask that you are flexible regarding weekly attendance to allow more people to participate in person at this time.
- If you are feeling ill, please stay home and attend worship online.
- Masks covering your nose and mouth are required while inside the building.
- Practice physical distancing (no congregating for conversations before or after the service) inside the church building.

A more detailed list of guidelines is available from the church office.
